## ACADEMIC PROJECT

- Project Title :- College Conference Website
  - Developed a dynamic college conference website with friends for an upcoming event in August. The site includes event schedules, speaker profiles, registration forms, and responsive design, ensuring seamless user experience and efficient information access for attendees and organizers. Website : <https://www.icscqa-bbit.in/>
  - Tool used : At first it was developed using HTML, CSS, and JS but later it was converted into React framework.
- Project Title :- Personal Portfolio Website
  - Developed a responsive personal portfolio website showcasing skills, projects, resume, and contact details as a 5th Semester Project. Demonstrates web development proficiency and serves as an online professional presence. Website : <https://bishalkmishra.netlify.app/>
  - Tool used : React.js
